Eve Langlais, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Gene only has one thing on his mind, vengeance, until Vicky crashes into his life. When Vicky accidentally slides into the side of a polar bear, she doesn't expect to fall in love. Eaten yes, perhaps used as a chew toy, but become the object of a bear's affection and lust? Crazy! Almost as crazy as the fact the polar bear turns out to be a man. A sexy man. A man who growls, and roars and does everything he can to chase her away. Only to come back. Poor Gene. After the pain and betrayal he suffered in the war all he wants is vengeance against the brothers who left him behind. But he's confused when instead of wanting to punish him for his evil acts, they offer him forgiveness. As if that weren't annoying enough, the cutest geek he ever met--with caramel kissed skin covering a lush, rounded figure and wearing the sexiest dark rimmed glasses--won't leave him alone. Or more like, he can't seem to stop following her. And it isn't just because someone is out to hurt her. He wants her. But does he want her more than vengeance?.
