

Reading Treasury

By Kamal Heidari Soureshjani

Createspace, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.There is an old saying, The pen is mightier than the sword. Ideas written down have changed the destiny of men and nations for better or worse. The flow of ideas cannot be stopped. We need to read and research to build on the good ideas and expose the bad ideas before they bring destruction. Only by reading can we be armed in this never-ending, life-and-death struggle. Reading is also fundamental to function in academic contexts. There are many students who cannot read well enough to understand academic and scientific texts and instructions. Accordingly, they also encounter many problems in reading test situations as they cannot read, understand, and answer reading items very well. The present book is a bank of advance-level reading comprehension tests suitable for high-stake tests such as TOEFL, IELTS, TOLIMO, MSRT, and other standard exams. It might be a great help for the above-mentioned exams candidates to perform well on the reading sections as it provide a good opportunity to take reading tests that are considerably similar to the real reading comprehension tests.
