The Global Minotaur: America, Europe and the Future of the Global Economy (Paperback)

By Yanis Varoufakis

ZED BOOKS LTD, United Kingdom, 2015. Paperback. Condition: New. 3rd edition. Language: English . Brand New Book. The emerging rock-star of Europe's anti-austerity uprising. Daily Telegraph A spirited book. New Yorker In this remarkable and provocative book, Yanis Varoufakis, former finance minister of Greece, explodes the myth that financialisation, ineffectual regulation of banks, greed and globalisation were the root causes of both the Eurozone crisis and the global economic crisis. Rather, they are symptoms of a much deeper malaise which can be traced all the way back to the Great Crash of 1929, then on through to the 1970s: the time when a Global Minotaur was born. Today's deepening crisis in Europe is just one of the inevitable symptoms of the weakening Minotaur; of a global system which is now as unsustainable as it is imbalanced. Going beyond this, Varoufakis reveals how we might reintroduce a modicum of reason into what has become a perniciously irrational economic order. An essential account of the socio-economic events and hidden histories that have shaped the world as we now know it.

Reviews

This ebook is definitely not effortless to start on studying but extremely enjoyable to read through. It can be loaded with knowledge and wisdom You will not feel monotony at whenever you want of your time (that's what catalogs are for concerning should you request me).

-- Vincenzo Collins

Extensive guideline for book fanatics. Sure, it is engage in, nonetheless an amazing and interesting literature. I am effortlessly can get a delight of studying a composed pdf.
