What we know about God and what we do for God have a way of getting broken apart in our lives. The moment the organic unity of belief and behavior is damaged in any way we are incapable of living out the full life for which we were created. Paul s letter to the Ephesians join together what has been torn apart in our sin-wrecked world. Like a surgeon skillfully setting a compound fracture, Paul sets this belief in God into our behavior before God so that the bones-belief and behavior-knit together and heal.
