Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It seems to me that Mr. Hartley Withers has performed a task among the most useful that any man could set his hand to in writing his latest book, "The Case for Capitalism". To readers of this Journal who have found his monthly article an educational delight ever since its inception, and to a very much wider public than that, any volume by Mr. Withers comes with unique credentials. No economist of to-day quite equals his skill in resolving the technicalities of the most difficult subject into their simplest elements, and in carrying his readers along from one essential point to another with such pleasurable clarity. It is an invaluable thing to possess this disentangling quality of mind, this power to master a subject so completely and to turn it over and over so freely and thoroughly, that even the task of elucidating it for the non-specialist becomes an agreeable exercise. I know of no writer on economics who equals Mr. Withers enviable gifts of exposition. But what adds an element that one does not...
