*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Going All the Way: Forbidden Desires is the story of a frustrated housewife who ends up seeking her sexual satisfaction with another man other than her husband. He has neglected her ever since he discovered that she was pregnant. She is not able to figure out if he is disgusted by the way she looks or if he is just too afraid to touch her and hurt their growing baby. She has tried everything to convince him that it will all be okay and that he can love her like he used to. When that fails she is tempted to seek her satisfaction elsewhere but does not really follow through with it until fate literally drops the solution in her lap.
