Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Consumer Financial Protection Bureau (CFPB) believes integrating financial education throughout the K-12 experience represents a promising opportunity to reach consumers at pivotal points in their development and financial lives. When we start early with age-appropriate and relevant financial education and consistently reinforce those lessons throughout the K-12 years, we can give young people more chances to develop positive habits and behaviors. Helping consumers acquire financial capability is an integral part of the CFPB s consumer financial protection mission, as reflected in numerous provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010.1 The Act charges the Bureau with researching, developing, promoting, and implementing financial literacy programs and activities. The CFPB developed this resource guide to help connect policymakers with tools, information, and insights to enhance K-12 financial education efforts. The guide will likely be most relevant to state policymakers-notably state treasurers, state superintendents, governors, state legislators, state government associations, and their respective staff-who seek to advance the development and implementation of K-12 financial education. However, the CFPB designed this resource guide...
