SURVIVING THE OREGON TRAIL, 1852

To read **Surviving the Oregon Trail, 1852** PDF, you should refer to the web link listed below and save the document or gain access to other information that are in conjunction with SURVIVING THE OREGON TRAIL, 1852 ebook.

Washington State University Press. Paperback. Condition: New. 256 pages. Dimensions: 9.6in. x 6.4in. x 0.6in. The 1852 overland migration was the largest on record, with numbers swelled by Oregon-bound settlers, as well as hordes of gold-seekers destined for California. It also was a year in which deadly cholera took a terrible toll in lives. Included here are firsthand accounts of this fateful year, including the words and thoughts of a young married couple, Mary Ann and Willis Boatman, released for the first time in book-length form. In its immediacy, *Surviving the Oregon Trail, 1852* opens a window to the travails of the overland journeyers--their stark camps, treacherous river fordings, and dishonest countrymen; the shimmering plains and mountain vastnesses; their trepidations at crossing ancient Indian lands; and the dark angel of death hovering over the wagon columns. But also found here are acts of valor, compassion, and kindness, and the hope for a new life in a new land at the end of the trail. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
