PHILOSOPHY OF MIND

Bolinda Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In this lively and entertaining introduction to the philosophy of mind, Edward Feser explores the questions central to the discipline, and relates them not only to the human brain and its capacity for thought, but also to the increasing sophistication of artificial intelligence. This in-depth primer is an account of all the most important and significant attempts that have been made to answer the riddles of consciousness and thought.
