

Six Poets: Hardy to Larkin: An Anthology by Alan Bennett (Audio)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

SIX POETS: HARDY TO LARKIN: AN ANTHOLOGY BY ALAN BENNETT (AUDIO)**DOWNLOAD**

FABER FABER, United Kingdom, 2014. Audio. Book Condition: New. Main. 143 x 126 mm. Language: English . Brand New Book. Writers like to elude their public, lead them a bit of a dance. They take them down untrodden paths, land them in unknown country where they have to ask for directions. In this personal anthology, Alan Bennett has chosen over seventy poems by six well-loved poets, discussing the writers and their verse in his customary conversational style through anecdote, shrewd appraisal and spare but telling biographical detail. Ranging from hidden treasures to famous poems, this is a collection for the beginner and the expert alike. Speaking with candour about his own reactions to the work, Alan Bennett creates profound and witty portraits of Thomas Hardy, A. E. Housman, John Betjeman, W. H. Auden, Louis MacNeice and Philip Larkin, all the more enjoyable for being in his own particular voice. Anybody writing poetry in the thirties had somehow to come to terms with Auden. Auden, you see, had got a head start on the other poets. He d got into the thirties first, like someone taking over the digs.
