

Learning in Depth: A Simple Innovation That Can Transform Schooling

By Kieran Egan

The University of Chicago Press. Hardback. Book Condition: new. BRAND NEW, Learning in Depth: A Simple Innovation That Can Transform Schooling, Kieran Egan, For generations, schools have aimed to introduce students to a broad range of topics through curricula that ensure that they will at least have some acquaintance with most areas of human knowledge by the time they graduate. Yet such broad knowledge can't help but be somewhat superficial - and, as Kieran Egan argues, it omits a crucial aspect of true education: deep knowledge. Real education, Egan explains, consists of both general knowledge and detailed understanding, and in "Learning in Depth" he outlines an ambitious yet practical plan to incorporate deep knowledge into basic education. Under Egan's program, students will follow the usual curriculum, but with one crucial addition: beginning with their first days of school and continuing until graduation, they will each also study one topic - such as apples, birds, sacred buildings, mollusks, circuses, or stars - in depth. Over the years, with the help and guidance of their supervising teacher, students will expand their understanding of their one topic and build portfolios of knowledge that grow and change along with them. By the time they...
