Savas Beatie. 1 Cloth(s), 2013. hard. Book Condition: New. On May 2, 1863, Confederate General Thomas "Stonewall" Jackson led his Second Corps on a daring flank march around the unsuspecting Army of the Potomac, leading to the rout of a Union corps in one of the most stunning victories of the war. But as he and his staff rode beyond the lines to scout the ground, Southern pickets mistook them for Union cavalry and fired, mortally wounding Jackson. A physician and professor at the West Virginia University School of Medicine, Mathew Lively here explores the many inconsistencies regarding Jackson's final days, including where Jackson was wounded, the type of amputation performed by Dr. Hunter McGuire, and whether his last words really were, "Let us cross over the river, and rest under the shade of the trees."The fatally wounded body of Stonewall Jackson has generated more controversy among historians than any of his famous military campaigns, and Mathew Lively dissects the events surrounding the general's wounding and his medical care with surgical precision. Much of the established knowledge about Stonewall Jackson's final days comes under question because of Lively's microcosmic inspection of remarkable source material and research. Calamity at Chancellorsville gives us new angles from which to observe a deadly moment in Confederate history, one that is infused with high drama and intense action."Peter S. Carmichael 191.
