There Is Something in the Air (Classic Reprint) (Paperback)

By Charles Henry Butler

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from There Is Something in the Air Unconsciously the Spaniard struck the key note of the whole situation when he uttered those few words It is something in the air - and while in his own heart no responsive chord thrilled at their sound, to us they convey all the meaning of an axiomatic truth. It would be hard, indeed, to explain those words to a thoroughgoing Spaniard, because he could never grasp the full extent and meaning of what the something is that the Cuban patriots breathe; but it would be even more difficult to explain them to an American, for they would beunderstood so fully and so quickly from their mere mention that an attempt to define that something would be as futile as an attempt to demonstrate one of the self-evident propositions of Euclid.
