By Pastor Owen E. Williams

Amidst much contemporary discussion of how Christians should handle themselves in the corporate world, Pastor Owen E. Williams gives you the tools to act on what you believe. When people discuss spiritual warfare, they often omit places of business and professional atmospheres. However, the corporate world and company culture that is an everyday reality for many Christians can prove to be one where they confront deep spiritual issues on a regular basis. How can one maintain his or her morality when management principles contradict principles of the Bible? Williams shows you how to cope with workplace issues by making active choices about your behavior in various problematic situations—behavior that will simultaneously uphold Christian ethics and good work ethic.
