

Winnie in Space

By Valerie Thomas, Korky Paul

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Winnie in Space, Valerie Thomas, Korky Paul, Winnie is fascinated by space and she decides the time is right for a little space exploration. Wilbur is not so sure. Winnie's magical rocket is quite tricky to steer through the universe and poor Wilbur can't even bear to look. He feels a little less anxious when they land on a faraway planet and Winnie unpacks their special space picnic. The inhabitants of the planet are small, with long ears and twitchy noses. They're curious and friendly but these space rabbits have rather strange eating habits - they munch on metal! And, for the space rabbits, Winnie's rocket is particularly tasty. So when it is nibbled clean away, Winnie has to use some quick thinking and some magic to keep the rabbits happy and to rustle up an alternative means of getting home. This glorious galactic picture book takes Winnie and Wilbur on an amazing journey into outer space. But however exciting flying saucers, shooting stars and space rabbits might be, Winnie's a witch who knows there's no place like home!
