Westminster/John Knox Press,U.S., United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. This work of constructive theology examines human sexuality in light of Christian faith and doctrine. Jensen moves beyond the hot-button social debates about sexual orientation and sexual practices to look for healing. The seven chapters consider Scripture and sex; the connections between the triune, covenantal God and human sexuality; Christ's incarnation and resurrection as affirming the beauty of flesh; eschatology and sexual identity; the ramifications of the Lord's Supper for human sexuality; vocation and Christian callings to marriage, celibacy, and singleness; and sexual ethics.
