Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Germaine Welch)

STRATHBROCK OR THE HISTORY AND ANTIQUITIES OF THE PARISH OF UPHALL (CLASSIC REPRINT)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Strathbrock or the History and Antiquities of the Parish of Uphall This volume is the result of research carried on at intervals during the past years of a busy ministry. But it has been a labour of love. Having delivered (while settled at Broxburn) a course of lectures on the History and Antiquities of the Parish of Uphall, West Lothian, I was asked at the time to publish, but circumstances prevented. However, by delaying publication, further opportunities were granted for pondering over puzzling problems, and in this way, in several instances, conjecture has been turned into certainty, and fancy into fact. The history has been entitled Strathbrock, not only because this was the ancient name of the parish, but in order that other places of interest in the strath of the Broxburn outside the parish, but immediately contiguous to it, might be included in the narrative. Especial study has been given to the subject of place-names, and an attempt made on philological lines to ascertain their correct signification. Indeed, it was the place-names of the parish that suggested to me investigation into its history. Public documents, such as the Register of Great Seal, Exchequer Rolls, Ecclesiastical Chartularies, c., have been examined, these being the sources of original and accurate information. Should this volume help to stimulate the patriotism of the inhabitants of the parish, and incite them to wider reading in the History of Scotland, the writer will feel that he has been amply rewarded. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses...
