VIET MAN: A NOVEL (PAPERBACK)**DOWNLOAD**

Rainbow Ridge Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. * Winner of the Military Writers Society of America (MWSA) Gold Medal for Best Literary Fiction Viet Man is about the transformation of a young man who enlisted in the Navy during the Viet Nam War, was trained as a hospital corpsman, was transferred into the Marine Corps, then sent to Viet Nam where he joined the elite First Recon. It is a first person narrative of alternating episodes experienced in the rear and in the bush. In the rear, Doc encounters a straw-haired mid-western farm boy who shows him how to prepare a meal of long-rats, and Loopie, a Puerto Rican from the Bronx who shares a guilt-torn confession that borders on confabulation. In the bush, Doc experiences the terror of accidentally releasing a live grenade among his men, of rushing to rescue a wounded marine, and of sharing a quiet conversation in a bunker with Trang, a South Vietnamese soldier. After being assigned to the Recon Dive Team and attending the Navy diving school in the Philip-pines, he returns to Viet Nam were he engages in numerous combat dives and river operations. At the end of his tour, he is processed out of the military. And upon his return to his hometown as a veteran, he faces a jarring reception of insolence, indifference, and fragmented flashbacks. In Viet Man, D.S. Lliteras unlocks the inner mystery of a man s combat experience. It is poetic and haunting, authentic and amusing. It is a story told by a man who ultimately survives the war and returns to his homeland, but another country will forever dwell in his soul.
