Partridge India, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I was never meant to be a writer, but I had the desire to narrate a few incidents and that got the writer inside me working. Before you start reading this story, I would like to mention that, this story is inspired by true events and the fictional changes that have been made are to protect the identity of the people involved. However, it has no relation whatsoever to anyone bearing the same name or names. Becoming a writer from a person belonging to a core technical background wasn't that easy. However, there are stories that force you to pick up a pen so that people can learn a lesson even without living the same in their own lives. All of us do something of our choice but not everyone is aware of the fact that commitment to see something through to completion is the essence of the efforts of a lot of people. There are so many people who are responsible in ways big and small, for this book being a reality today. I couldn't have done it without the support I received from all those people who always played an important role in my life and I know they will always be there. To each one of you, I pay my humble and most heartfelt thanks.
