British Columbia: Its Conditions and Prospects, Soil, Climate and Mineral Resources Considered (Classic Reprint)

By Henry Degroot

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from British Columbia: Its Conditions and Prospects, Soil, Climate and Mineral Resources Considered Having spent the greater part of the past seven months traveling through the interior of British Columbia, in the capacity of newspaper correspondent, the writer has since his return been frequently applied to for information touching that region, by parties desirous of emigrating thither, or by others willing to canvass the inducements for doing so. As a means of answering these inquiries, and embodying the latest authentic intelligence from a quarter which, despite their recent disappointments, has not ceased to interest our people, he has determined to publish a short series of articles on the soil, climate and natural resources of that country, selecting as the medium the columns of our oldest and most widely extended journal. The writer engages in this task the more readily from the fact that he has, hitherto, found little inducement to publish any considerable portion of the copious notes kept while journeying over Vancouver s island and the main land; and for the further reason, that his...
