Schunck Gaspaleis, Netherlands, 2011. Hardback. Book Condition: New. 248 x 208 mm. Language: English . Brand New Book. For the past five years, Deanna Templeton has been photographing skateboard demonstrations, surfing competitions and other beachside congregations of kids in southern California. The photographs in *Scratch My Name on Your Arm* document a sexy trend emerging in Californian youth culture for getting famous surfers and skaters to autograph bare skin and underwear. Where once the autograph of an idol served primarily as a souvenir or keepsake (a scribble in a diary, on a poster or T-shirt), nowadays autographs on skin or intimate underwear have become the preferred method for drawing the attention of both the autographer and bystanders to one s scantily-clad self. In *Scratch My Name on Your Arm*, Templeton s black-and-white photographs record both an ephemeral form of calligraphy and body art and the burgeoning customs and styles of a subculture in the making.
