In a world full of zombies, who are the real monsters? Nearly fourteen years ago, a freak virus swept across the world - turning those infected into the undead. Benny Imura has grown-up never knowing anything different, his last memory of his parents was of them becoming zombies. Now Benny is fifteen, and about to join his brother Tom in the 'family business' of zombie killing. It's the last thing he wants to do, but he needs a job. But when Benny and Tom head into the Rot and Ruin, an area full of the wandering undead, Benny soon realises that being a bounty hunter isn't just about whacking zombies. He discovers that sometimes the worst monsters you can imagine aren't the zombies, after all.
