## THE BEER BIBLE (HARDBACK)

Workman Publishing, United States, 2015. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. It s finally here the comprehensive, authoritative book that does for beer what The Wine Bible does for wine. Written by an expert from the West Coast, where America s craft beer movement got its start, The Beer Bible is the ultimate reader- and drinker-friendly guide to all the world s beers. No other book of this depth and scope approaches the subject of beer?in the same way that beer lovers do by style, just as a perfect pub menu is organized and gets right to the pleasure of discovery, knowledge, and connoisseurship. Divided into four major families ales, lagers, wheat beers, and tart and wild ales there s everything a beer drinker wants to know about the hundreds of different authentic types of brews, from bitters, bocks, and IPAs to weisses, milk stouts, lambics, and more. Each style is a chapter unto itself, delving into origins, ingredients, description and characteristics, substyles, and tasting notes, and ending with a recommended list of the beers to know in each category. Hip infographics throughout make the explanation of beer s flavors, brewing methods, ingredients, labeling, serving, and more as immediate as it is lively. The book is written for passionate beginners, who will love its if you like X, try Y feature; for intermediate beer lovers eager to go deeper; and for true geeks, who will find new information on every page. History, romance, the art of tasting, backstories and anecdotes, appropriate glassware, bitterness units, mouthfeel, and more it s all here. Plus a primer on pairing beer and food using the three Cs complement, contrast, or cut. It s the book that every beer lover will read with pleasure, and use with...
