ALLEGORICAL POETICS AND THE EPIC: THE RENAISSANCE TRADITION TO PARADISE LOST

[DOWNLOAD PDF](#)

The University Press of Kentucky, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Literary allegory has deep roots in early reading and interpretation of Scripture and classical epic and myth. In this substantial study, Mindele Treip presents an overview of the history and theory of allegorical exegesis upon Scripture, poetry, and especially the epic from antiquity to the seventeenth and early eighteenth centuries, with close focus on the Renaissance and on the triangular literary relationship of Tasso, Spenser, and Milton. Exploring the different ways in which the term allegory has been understood, Treip finds significant continuities-within-differences in a wide range of critical writings, including texts of postclassical, patristic and rabbinical writers, medieval writers, notably Dante, Renaissance theorists such as Coluccio Salutati, Bacon, Sidney, John Harrington and rhetoricians and mythographers, and the neoclassical critics of Italy, England and France, including Le Bossu. In particular, she traces the evolving theories on allegory and the epic of Torquato Tasso through a wide spectrum of his major discourses, shorter tracts and letters, giving full translations. Treip argues that Milton wrote, as in part did Spenser, within the definitive framework of the mixed historical-allegorical epic erected by Tasso, and she shows Spenser's and Milton's epics as significantly shaped by Tasso's formulations, as well as by his allegorical structures and images in the *Gerusalemme liberata*. In the last part of her study Treip addresses the complex problematics of reading *Paradise Lost* as both a consciously Reformation poem and one written within the older epic allegorical tradition, and she also illustrates Milton's innovative use of biblical Accommodation theory so as to create a variety of radical allegorical metaphors in his poem. This study brings together a wide range of critical...
