Learn how to beat the odds with *Get Your Disability Benefits Now*, a how-to book that teaches you how to write a complete SSDI package that greatly enhances your chance of winning. The book takes you through the SSDI application question-by-question with explanations of the questions and examples of correct answers. It teaches you which questions are critical, how to write powerful answers, mistakes to avoid and tactics which give the Social Security Administration what they need to know and want to hear. You'll learn how to prove your case with objective medical and non-medical evidence and strategic answers that make the difference between winning and losing your claim for benefits. Complete your application as you read the step-by-step instructions. For those already in the appeals cycle there is a chapter that teaches you how to file a second claim while your first claim remains in the appeals cycle. It's called *Earn benefits While You Wait*. You literally can win your second claim before your third appeal is heard. David Budlin, AOL's top guru on SSDI and a 27 year veteran of Social Security Disability Office states, This book is full of information that should be of great assistance to anyone who intends to file for Social Security Disability benefits and wants to take a proactive approach to the application process. It has many tips which can enable applicants to streamline the process and get a decision in significantly less time than average. Many Social Security forms are discussed throughout the book and helpful hints on completing them are presented. There is an accompanying Resource CD can be purchased at www....
