

Siam and World War I: An International History (Paperback)

Filesize: 3.06 MB

Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

SIAM AND WORLD WAR I: AN INTERNATIONAL HISTORY (PAPERBACK)**DOWNLOAD**

RIVER BOOKS, Thailand, 2017. Paperback. Condition: New. Language: English . Brand New Book. 100 years ago Siam declared war on Germany. In the early morning hours of 22 July 1917, army units and gendarmerie called the roughly 200 completely unsuspecting German and Austro-Hungarian men in Bangkok out of their beds, presented them with the declaration of war and went on to arrest them. At the same time, marine units boarded the nine ocean going German ships anchored on the river, capturing what was considered by all to be the greatest prize. With these events began Siam's 17 months at war with two European powers. The story of how these 17 months unfolded in Siam and in Europe is at the heart of this book. It is a complex tale interweaving political, diplomatic, military, cultural and social history. The book introduces adventurous and scared Thai soldiers on the battlefields of the Western Front, arrogant European politicians and diplomats convinced of their racial and cultural superiority, shrewd Thai officials beating the West at its own game of imperialism, princes rivalling over influence and power, German businessmen imprisoned by Orientals , Thai students caught up in world events and submarine attacks, and the King of Siam himself. Siam's participation in World War I was the single most important international event for contemporaries in the kingdom, its symbolism unmatched by any other occurrence of the times. The book is the first-ever extensively researched study of Siam and World War I in all its facets. By combining primary sources from Thailand, Germany, France, Great Britain, and Austria, the study describes local events in a global context and explains how world events manifested themselves in the royal palaces and on the streets of Bangkok. The legacy of the events a century ago is remarkably...
