

## AHFS (R) Drug Information 2018 (Paperback)

By American Society of Health-System Pharmacists

American Society of Health-System Pharmacists, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. With extensive updated information on everything from treatment of chronic pain to management of HIV infection in paediatric patients, AHFS Drug Information (R) 2018 is a necessary addition to your pharmacy's resources. It contains the most trustworthy drug information available - all in one place. It is the most comprehensive evidence-based source of drug information complete with therapeutic guidelines and off-label uses. With content supported by nearly 90,000 references and incorporating the advice of numerous subject matter experts, AHFS DI helps you protect your patients and your practice. The only print compendium designated by the U.S. Congress, it is also the only reference published by a professional and scientific society - ensuring it is the most authoritative and best-selling reference trusted by pharmacists for 60 years. Updates for this edition include: Expanded and revised content throughout, featuring critical new monograph updates every year. Important updated monographs and references related to revised therapeutic guidelines, including revised recommendations for treatment of fungal infections (such as Candida auris infections) and chronic hepatitis C. Newly published information on breakthrough oncology drugs approved as part of the FDA's accelerated approval program. Dedicated...

### Reviews

*It is one of the most popular publications. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.*

-- Prof. Evans Balistreri DDS

*Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Lydia Legros
