

Industry and Innovation in Europe

By Antonio Tajani, Koenraad Debackere, Kris Peeters

Lannoo, Belgium, 2013. Paperback. Book Condition: New. 214 x 136 mm. Language: English . Brand New Book. The current social and economic situation in Flanders has shown that European decisions definitely do have a national and regional impact. Flemish policymakers, too, are compelled to pay heed to Europe, as the latter s decisions are becoming increasingly reflected in domestic policy-making and vice-versa. Against the background of the Pact 2020 and Flanders in Action, the Europe 2020 strategy and its industrial dimension have been translated into a regional long-term strategy and put into practice, even before the European program was given the EU s rubber stamp. As an innovative and open economy, part of Europe s logistical hub, Flanders can lead the way in boosting Europe s innovative, integrated industrial policy, while raising the region s profile in the European and international forum. Industry and Innovation in Europe offers an extensive and insightful analysis of how the Flemish and European industrial policies add to each other and back each other up. Apart from policy statements from the European Commissioner for Industry and Entrepreneurship, Antonio Tajani, and the Flemish Minister-President, Kris Peeters, and a report on round table talks involving a few...
