Shelley in Haiti: One Woman s Quest for Orphan Prevention Through Job Creation (Paperback)

By Shelley Jean

Shelley in Haiti, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Shelley Jean traveled to Haiti determined to adopt an orphan she had discovered online. Although she was already the mother of two biological children, expanding her family by embracing a displaced child was, in part, a fulfillment of her compassionate Christian faith. But when she witnessed the agony many Haitian women experienced when poverty -not lack of love- forced them to give up their children to orphanages, she was outraged. Soon, a new mission blossomed. As she came to better understand and appreciate the people of Haiti, Shelley had a vision of creating jobs that would help some parents earn an income so that they could support their babies and raise them to become productive adults. . . Shelley s absolute passion and commitment for the human right to a dignified livelihood . is palpable. -Jennifer Gootman, vice president, Social Consciousness Innovation, West Elm Despite her own domestic challenges and, at times, the doubts about God s providence that arose after witnessing the devastation caused by earthquakes and hurricanes, Shelley s trial-and-error approach took hold. First, she taught a small group of mothers...

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

-- Dr. Reta Murphy

It becomes an amazing pdf which i actually have at any time read through. This can be for all those who statte there had not been a worthy of reading through. You wont sense monotony at anytime of your own time (that's what catalogues are for relating to should you check with me).
