

Knowing One's Own Community, Vol. 20: Suggestions for Social Surveys of Small Cities or Towns (Classic Reprint) (Paperback)

Filesize: 5.44 MB

Reviews

This is actually the best ebook we have read till now. Indeed, it can be enjoy, nevertheless an interesting and amazing literature. You will not feel monotony at whenever you want of the time (that's what catalogs are for regarding should you question me).
(Jamar Stracke)

KNOWING ONE S OWN COMMUNITY, VOL. 20: SUGGESTIONS FOR SOCIAL SURVEYS OF SMALL CITIES OR TOWNS (CLASSIC REPRINT) (PAPERBACK)[DOWNLOAD](#)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Knowing One s Own Community, Vol. 20: Suggestions for Social Surveys of Small Cities or Towns The intelligent public in the United States is slowly awakening to the dangers of the wasteful and cruel leakage in our human resources. Business men and social workers, church-workers and statesmen, university professors and labor leaders all agree that the mistakes and sins of our industrial life, the neglect and blind self-interest in the business world, and our ignorance and indifference towards the machinery that has to do with the political and administrative affairs of the country, are placing a heavy burden upon human life and human achievement, and are wasting invaluable human resources. This is quite as true of the small town and village community as it is of the vast territory of the United States. The American mind is eminently practical and measures values in terms of concrete returns, but while this characteristic has led to momentous advance in the business world and in the fields of science and politics, the achievement has been individual rather than social, and progress has been largely confined to certain classes but has not materially affected the masses of the people. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
