(Introduction) You may be wondering what in the hell a Party Hog is. A Party Hog can be anyone who takes a nip or even a plunge into the booze bar leading to inebriation. So whether you drink it, snort it, Smoke it, shoot it or pop it, it can contribute to having some form of Party Hog. Heck you might not even do any of those things and could just be a plum loco anti inebriated Party Hog on the loose. But being a genuine Party Hog is not a bad thing, because it is only an all natural ingredient that is found in the innards that stirs up the orderly and disorderly one self that is found in everybody s mixings. Now I m guilty of a lot of these examples but how many of these mothers are you guilty of. So I present to you these 200 warped ingredients of bobbling dingling syndrome that go into the mixture for the makings that cook up a free spirited Party Hog.
