CONTEMPORARY AMERICAN POLITICS AND SOCIETY: ISSUES AND CONTROVERSIES (HARDBACK)**DOWNLOAD**

SAGE Publications Inc, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. Contemporary American Politics provides a comprehensive introduction to the most salient topics of debate in contemporary American politics and society today. The text introduces and explains the history, nature and underlying issues to the key areas of political division and conflict in America's on-going 'culture war', including, abortion, gun control, capital punishment, pornography, gay rights and drugs. All students will gain a deeper and critical understanding of how this powerful set of concerns continue to underpin and shape the fundamental divisions informing American domestic politics at local, state and federal levels. Completely up-to-date and featuring chapter summaries, exhibit boxes, discussion questions, weblinks and further reading guides, Contemporary American Politics offers a lively and accessible text that will be essential reading for all students of American politics and society. Robert Singh is a lecturer in politics at Birkbeck College, London. Contemporary American Politics: Issues and Controversies is a companion text to the foundation textbook American Government and Politics: A Concise Introduction also published by SAGE. The result is an excellent text which conveys both the diversity of contemporary America and the complexity of issues often treated superficially in media accounts. I recommend the book highly - Desmond King, Mellon Professor of American Government, University of Oxford. Rob Singh is a master of style, and his book is the perfect companion for those who are interested in America's culture wars but hitherto have been put off by the execrable jargon they have...
