But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him Faith is the key to a healthy relationship with God and forms the basis of our approach to Him; it is the best decision you can ever make in your life to believe that God is! Without this baseline, it is impossible to have faith in God in any form. Heb.10:38. Now the just shall live by faith: but if any man drawback, my soul shall have no pleasure in him When you believe, the bible says there will be a performance; Luke 1:45 And blessed is she that believed: for there shall be a performance of those things which were told her from the Lord. Faith is the key to a victorious life and receiving the fullness of God s blessings upon your life. These scriptures above emphasize the baseline and foundation approach, which is; the just shall live by faith and because you believe, there will be a performance of God s promises and word in your life. With this in mind, we need to come to the place where faith is therefore, the beginning and basis of our relationship with the Lord in which we trust Him implicitly, believing and knowing that what He has promised, He is able to perform. As you read this book, may your spirit and mind be enlightened and translate into your journey of faith with God in the earnest. Through which you will write your life history according to His plans for your destiny.
