

Vegan Tantra Volume 1: Introduction to Vegan Magic (Paperback)

By Neo Sufi

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Vegan Tantra is about the history, philosophy, rituals, symbolism, and applications of Eastern Tantra and Western Magic, and their ancient, inseparable bond with Veganism going at least as far back as 10,000 B.C. The original tantric experiences of mankind underlie the birth of song, dance, poetry, painting and all other forms of art that have laid the very foundations of our religions and cultures as we know them today. Recent literature associating Tantra with indulgent sex and black magic is not baseless, but it only represents a very limited aspect of a system of knowledge that is dynamic, all encompassing and constantly evolving as we are ourselves. The dictionary definition of magic is - the power of apparently influencing events by using mysterious or supernatural forces. Tantra is exactly that, the science of influencing events by using forces of nature. Tantra and Magic have both been misunderstood for many years to represent evil, non-serious or even fictional practices. Tantrics actually believe that the entire manifest universe is alive and governed by laws of a higher intelligence we can choose...

Reviews

It is one of the most popular publications. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.

-- Prof. Evans Balistreri DDS

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lydia Legros
