Forgiveness tends to be an obscure principle in today's world—even among those who follow Christ. We all know the familiar saying, time heals all wounds, and yet we watch those around us shrivel from the pain of distant wounds that still seem to bleed fresh, raw, and unhealed. Forgiving Forward is an engaging, authentic dialogue teeming with real life stories and transformative Biblical teaching that has the power to heal and restore that which has been broken. In Forgiving Forward, Bruce and Toni, give us the opportunity to learn Heaven's Protocols of Forgiveness and how to accurately apply them both for ourselves and for others. The tools this book teaches will restore marriages, reunite families and unify churches.
