When we complicate our lives with material objects, and then strive and stress to maintain those objects, we find that life can become chaotic, busy, lonely, and unfulfilling, which can lead to depression and discontent. When you seek and find clarity, everything around you turns into an opportunity. When you ask, you will receive if you are clear. The minimalist lifestyle offers freedom, peace, ease. With this book: \* You ll learn about the primitive brain and how it rewards you for things that it thinks it needs, thus forming habits that do not serve you. \* You ll begin to see the many rewards that come from minimalism and that you are the architect of everything that happens in your life. \* You ll discover why the thought of more is so attractive, and learn what you need to do to simplify your life. \* You ll see that everything you truly want is already at your disposal - all you have to do is ask in the right way, with clarity. Minimalism leads to immense clarity.
