By Tristan Bancks

Step aside, Andy Griffiths, there's a new kid in town and he's bringing his gigantic booger collection with him! A series of surprisingly funny, adventurous, sometimes gross short stories. They're linked by the main character, a kid called Tom Weekly and his friends, family, and dog who show up in each adventure. From talking about poo to a terrible accident with false teeth, and rehydrating a gigantic booger collection to one seriously angry magpie, these stories will make you snort with laughter and cringe in embarrassment. A nail-biting, toe-biting thrill ride through one boy's life. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*It is an awesome publication which I actually have ever read through. It had been written really properly and valuable. I found out this book from my mom and dad recommended this pdf to discover.*

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
