*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Amazon Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. When it comes to caring for the furry residents of St. Helena, California, groomer and pet rescuer Shay Michaels can handle anything. Humans are another story, though--especially Deputy Jonah Boudouin. He's the town's resident superhero: upright, uptight, and jaw-droppingly gorgeous, even when he's investigating complaints about Shay's beloved foster animals. And that spells danger for Shay, a free spirit who can't risk trusting the wrong person again. Jonah and Shay have been circling each other ever since she came to town, and he's running out of reasons to not kiss her senseless. But this deputy is a straight shooter with his eye on the sheriff's badge. He can't afford to get involved with Shay, a chaos magnet with luscious curves who's liable to turn his career--and his life--upside down. He enforces laws. She breaks them--repeatedly. Keeping her out of trouble is becoming a full-time job, and it's one he hopes is never going to end.
