Reviews

This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.
(Mr. Kristoffer Hills)

BARS SUCK! INTERNET DATING DOESN'T - FINDING SANITY IN THE INSANE WORLD OF INTERNET DATING (PAPERBACK)

VMC Press, United States, 2007. Paperback. Condition: New. Astrid Dalins (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Our survey discovered that over 99 of singles agree that Bars Suck when it comes to finding a great relationship. This book is perfect for everyone, whether you are a veteran internet dating pro, a relative newcomer or just curious, this may be one of the most important (and funniest) books you will ever read! For less than the cost of a really good Martini, you will laugh, learn and possibly cry as Jon Rubin takes you through his incredible internet dating journey which concluded with the perfect woman finding him. Hopefully, the author's mishaps will allow you to avoid a plethora of IDD's (Internet Dating Dangers) including MUI (Meeting under the Influence), OCOCD (Obsessive Compulsive Online Chatting Disorder) and FFP (Flying Frozen Poultry) among others. However, this book is not all laughs, there is a very serious side to the book where the author provides you with his rules and strategies for Internet Dating Success as well as a hands on, How To section on a real website. All this without a hangover!.
