Are Pit Bulls the vicious people-eaters the media portrays them to be? The stories submitted by loving families who have adopted and rehabilitated Pit Bulls in Lost Souls: FOUND! Inspiring Stories about Pit Bulls will tell you they are a product of their environment. And, like any other dog, when treated with love and respect Pit Bulls are the most loyal, loving companions out there. This thought-provoking compilation, with introduction by acclaimed actress and animal advocate Linda Blair, shares the discrimination that Pit Bull owners face and the joy these dogs provide which makes it all worthwhile. A must-read for Pit Bull lovers and open-minded people who want to learn more about the breed. A SIGNIFICANT PORTION OF PROCEEDS FROM EVERY SALE IS DONATED BACK TO PIT BULL RESCUE GROUPS. Excerpt: One day my daughter called me in a panic: Mama! I saw this Pitty girl at a shelter in Boston. She needs a forever home. She needs YOU. I only knew what I heard about Pit Bulls (nothing good), but eightmonth-old Fergie, who was born to be a bait dog, stole my heart. At the same time an unfortunate cat/kitten situation also needed my attention. Was it possible for me to foster a mother cat with her six-week-old kitten in the home of a Pit Bull? To my surprise, Fergie acted like she was their mother, sleeping and cuddling with the cats. What do I now know about Pitties? Devoted, lovable, and intelligent - I d get another in a heartbeat. -Gail Reed.
