Reviews

These types of pdf is the greatest pdf readily available. I actually have study and that i am certain that i am going to going to go through again again later on. You wont sense monotony at at any moment of your own time (that's what catalogs are for relating to when you request me).

MULTIPLE CHOICE QUESTIONS IN INTENSIVE CARE MEDICINE

[DOWNLOAD](#)

TFM Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Multiple Choice Questions in Intensive Care Medicine, Steve Benington, Peter Nightingale, Maire Shelly, This book will provide 300 practice MCQs divided into three practice papers. Correct answers will follow, accompanied by short referenced notes drawing from recent important journal articles, major critical care textbooks and selected internet resources. Since there is no other dedicated intensive care MCQ book on the market, this book would be relevant to the following groups: junior intensive care trainees, senior intensive care nursing staff wishing to enhance their medical knowledge, intensive care consultants as a teaching aid and trainees preparing for professional examinations. This MCQ book will also be ideal in preparation for the European Diploma in Intensive Care Medicine (EDIC) Part 1 examination, as the questions will be matched as closely as possible in style and difficulty to those in the EDIC Part 1. The EDIC is an internationally recognised qualification for medical trainees in intensive care, set by the European Society for Intensive Care Medicine (ESICM). It is a two-part examination consisting of a 100-question multiple choice paper (Part 1) and a clinical and viva voce examination (Part 2). To ensure relevance, the questions will be designed with reference to the training syllabus provided by the ESICM.
