

Dreams in Design (Paperback)

By Merrick Egber, Marvin Saidman

Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Not merely a poetry book, Dreams In Design is more of a work of lyrical preservation. While not as topheavy as some of my work prior, which can be observed through the lens, sometimes it is good enough that what I write can make a few points, even a few good points. One of my writings was inspired by watching the movie Love Is Strange which came out last year, another one was related to the current conniptions involving law enforcement and the reformist movement that I do support. Otherwise, I ve written a few personal details, including one that is a big trashing of an industry I work for, a continuance of a story, and a bunch of relationship ones. The first one that starts out the collection, I Don t Wanna Go , shows where my true interests lie, not in Elizabeth Bishop but in Bob Dylan, Lennon/McCartney, and even The Ramones for examples. Not everything can be as light as a cloud. This is my seventh book to be self-published with another one on the way. I hope you like...
