Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is my story of my life with cancer. I was told I had 30 to 60 days to live. I should get my affairs together. I didn t give in. I used a positive attitude to focus my energy where it was needed, fighting cancer. My doctors believe that this attitude was a strong blend of medicine that was instrumental in my survival. I want to share with you what helped me and those I love get through this difficult time. I hope my words describing what I went through will help the patient and their love ones gain a deeper understanding of what life with cancer and the effects of chemotherapy does.
