paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pages Number: 0 Publisher: Foreign Languages ??Press Pub. Date :2008-09-01. in high school history teaching for many years. careful analysis of the years with students flame of the exam process. I have such a profound experience: focus on the textbook supplementary book is the most practical. If the supplementary content of the book is less than textbooks. certainly can not cope with exams. because both the college entrance examinations or questions are required to have certain coverage; and if the contents of the book more than supplementary textbook. the review will result in students not grasping live focus. increased study load. Focus on the textbook is the purpose of writing this book. In order to show the specific purpose of the book in the content structure on the delicate arrangements. Theme clues will make you the fastest. shortest time to grasp the essence of each unit. and to grasp the intrinsic link between historical events and differences. Base system to help you remember the core content of each lecture. it theme clue. constitutes a Certificate. the entrance of the knowledge foundation. Important words to resolve the important concepts you are learning, the essential information to understand the content of textbooks. Difficult to break through the closely linked to the textbooks and college entrance examination syllabus to help you break through the difficult entrance points to obtain a multiplier effect. Knowledge Links to complement the content of textbook knowledge. background. process and other related historical facts. and the corresponding entrance tests of elective to include the contents of textbook knowledge. but also to facilitate student mastery. accurate and comprehensive knowledge. For students who have been using the new curriculum materials...
