WILD ABOUT FLORIDA: NORTH FLORIDA (PAPERBACK)**DOWNLOAD**

Global Authors Publishers, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Come explore caves, hills, whitewater falls and lots of other fun things you didn't expect to find in Florida. North Florida still lets you enjoy the sun and sand of Gulf and ocean beaches, you expect in the Sunshine State but there is so much more. The northern counties are totally different from their southern and central counterparts. Wild About Florida: North Florida is the ultimate guide to eco-travel in Florida. Hike an aboveground cave at Florida Caverns State Park. Think you need to travel to the mountains for whitewater fun? You can find that right here in Florida at Big Shoals State Park offering the largest whitewater rapids in Florida. Looking for rare and exotic wildlife? How about the Sherman fox squirrels at Gold Head Branch State Park or the white squirrels at Ochlockonee River State Park? Into reptiles? You can view white alligators at Saint Augustine Alligator Farm. And that just scratches the surface. This book will tell you when and where to find all the outdoor fun you can imagine in north Florida. Like its south Florida counterpart, it is a guide no outdoors person should be without. We also have some great black and white illustrations inside to help visualize the wild wonders of north Florida.
