Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Syrup of the Bees: Translated From the Original Manuscript The Young Barbarians, when Rome s ecclesiastical polity got hold of them, were persuaded by their anxious foster-mother to sell their Scandinavian birthright of imagination for an unintelligible, theopathic mess of mystic Graeco-Syrian pottage. But the demons, though driven generally from the field, lurked about in holes and corners, watching their opportunity. They took refuge in bypaths, leaving the high road: they lay in ambush in a thicket, whence nothing ever could dislodge them: that of fairy tales and fables. In India, the demons, i.e. the fairy tales and fables, have never had to hide. But the fairy tales of India differ from the fairy tales of England, much as their fairies do themselves. The fairies of Europe are children, little people: and it is to children that fairy stories are addressed. The child is the agent, as well as the appeal. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
