Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE PLATYPUS PARTY

Brand New Book ***** Print on Demand *****.Retired minor league hockey player Michael Verita was content. He was back in the small Wisconsin town where he grew up getting paid to write about the sport he loved. Days were spent on the lake and nights in the rink surrounded by loyal friends. Life was comfortable until a letter from his late beloved grandmother changed everything. A shocking inheritance and a special woman's wish thrust Michael into a presidential campaign where his honesty, pragmatism, intelligence, and irreverence capture the attention of the nation's voters. Now a common man with uncommon sense is challenging the political establishment. As the sitting President and his top contender scramble to discredit their new rival, the American people will decide if Michael Verita is a one-hit wonder or the leader our country truly needs.
