Outskirts Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Minnesota Dawns is a book of poetry that embraces the everyday wonder of God s creation. I am grateful to the many people in my life who inspired me, believed in me, and loved me, including teachers, family, and friends, but especially to my wife, friend, and soul mate, Michaela. I am also indebted to the many poets I have read and admired over the course of my life, but I truly believe that these poems were, at the deepest level, a gift from God, the creator of all.
