DEATH, DISEASE DISSECTION: THE LIFE OF A SURGEON APOTHECARY 1750 - 1850 (PAPERBACK)**DOWNLOAD**

Pen Sword Books Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Imagine performing surgery on a patient without anaesthetic, administering medicine that could kill or cure. Welcome to the world of the surgeon-apothecary. During the eighteenth and nineteenth centuries significant changes occurred in medicine. New treatments were developed and medical training improved. Yet, with doctors fees out of the reach of ordinary people, most relied on the advice of their local apothecary, among them, the poet John Keats, who worked at Guys Hospital in London. These men were the general practitioners of their time, making up pills and potions for everything from toothache to childbirth. Death, Disease and Dissection examines the vital role these men played their training, the role they played within their communities, the treatments they offered, both quack and reputable against the shocking sights and sounds in hospitals and operating theatres of the time. Suzie Grogan transports readers through 100 years of medical history, exploring the impact of illness and death and bringing the experiences of the surgeon apothecary vividly to life.
