THE CAROUSEL OF DESIRE (PAPERBACK)

Europa Editions, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Celebrated short-story writer, Eric-Emmanuel Schmitt's (The Most Beautiful Book in the World) first full-length novel to appear in English is a literary tour de force, a magnificent cathedral of contemporary eroticism. The Carousel of Desire is a sexual and romantic saga told with a master storyteller's feel for character and plot and a philosopher's abiding preoccupation with what makes life truly worthwhile. With tenderness and infectious delight, Schmitt tells an exuberant tale about class and community and about the vastness of human experience. Schmitt's love of coincidence and serendipity is surpassed only by his affection for his flawed, all-too-human characters: Zachary Bidermann, the powerful European Union commissioner; Faustina, the fashionable book publicist; Francois-Maxime de Couvigne, the happily married banker with more than a few secrets; Marcelle, enamored with a handsome illegal immigrant; Miss Beauvert, who makes love with her parrot, Copernicus. These and many more unforgettable characters animate this story of simmering desire and the antics of the mischievous and playful god, Eros. Schmitt's inclusive, affirming vision of human sexuality is refreshingly free of moral judgement, yet enriched by an understanding of the complex ethics of human relationships and the redemptive power of love.
